

THE LIGHTHOUSE PRAYER

Our Father in heaven,
time and again, it has been the sign of fire and light,
that let us believe in Your presence:
As a pillar of fire, You led Your people out of Egypt;
at the mountain Tabor, we witnessed Your Son in the light,
on Pentecost fiery tongues proved the strength of Your spirit,
it is, Jesus Christ, Your Son, we recognize as the light of the world,
and following His words, we will also be light to the world.

Father, according to Your wish, the Church shall help establish
symbols of light and places of hope.
Our projects within the **LIGHTHOUSE** initiative
intend to create such places.

Bless us and everyone who helps building lighthouses.
Provide us with courage to begin our efforts and with joy to continue them.
Let us send signs of light and also be receptive for signs of light
so that we and all the people around us can believe
that You will never break the promise of Your presence.
